Other info

Thank you for your booking to visit Rosslyn Chapel.

We do not send tickets. This confirmation email & QR Code are proof of your booking so please keep it safe in case you need to refer to it.

Should you wish to change your time, this can only be done more than

24 hours

in advance of your visit. This can be done through the 'Manage My Booking' link in your confirmation email.

Please try to arrive as close to the start of your time slot as possible; if you are too early, you may be asked to wait. If you arrive late, this will reduce the amount of time you have to visit.

If you've booked a complimentary admission (Rosslyn Chapel Annual Pass, ASVA Pass or STGA Tour Guide - please ensure you have the

relevant identification for inspection on arrival. Failure to present these will result in you being charged for your tickets).

GUIDANCE FOR GROUPS : We ask that all groups of 15 or more confirm their final numbers with us no later than 48 hours before their visit by telephone or email - 0131 440 2159 / mail@rosslynchapel.com. We are a small site and in order to manage our capacity & guest experience, notification of any deviation from the original booked number is greatly appreciated.

Changes to numbers or cancellations should be notified within 48 hours of the visit or the Trust reserves the right to charge for the visit as booked. Once numbers are confirmed and payment has been taken by credit/debit card, no refund can be given for any individuals not attending on the day of the visit. Cancellations should be confirmed by email.

Further information on group visits can be found here -
