Thank you for your purchasing your tickets to visit The Royal Yacht Britannia.

On arrival, please either show this e-mail on your device or print this e-mail to show at our entrance, situated in Ocean Terminal.

Ocean Terminal is currently undergoing construction work, adding new leisure and retail businesses, as well as residential spaces. As part of this redevelopment, Britannia will also be gaining a new Visitor Centre and Gift Shop which will involve us operating out of temporary accommodation whilst these new facilities are being created.

Our tours are self-guided, you can choose to have one of our audio handsets or listen on your mobile phone (bringing along your own headphones is recommended).
