## How to use this ticket / Important information

1. **Please have a copy of this ticket available on your mobile device.** This is proof of admission to Westminster Abbey on the date and time that you have selected and it will be scanned by staff on arrival.
2. This ticket can be converted to an annual ticket valid for up to 3 visits (including the initial visit) from the date of the first visit. If you wish to convert your ticket for multiple visits please ask our ticketing staff on arrival at the Abbey. Annual tickets are not valid for guided group visits, Lates, Highlights or discounted/promotional tickets. You may be required to prove your ID/original booking data when making return visits.
3. There is uneven flooring and mixed lighting throughout the Abbey estate. Please take care when you visit and ensure you wear sensible footwear.
4. This ticket can also be upgraded to an annual membership for an additional fee. This membership includes unlimited visits to the Abbey and the Galleries during the year, as well as exclusive access to private tours and events. For more information, please ask our ticketing staff on arrival, or email the Association Office at [association@westminster-abbey.org](mailto:association@westminster-abbey.org).
5. This ticket is non-transferable and non-refundable. We are under no obligation to issue refunds where an online ticket has been cancelled by you.
6. The Abbey closes for visiting one hour after the published closure time. Visitors wishing to explore the Abbey for longer are therefore urged to arrive well in advance of the published entry closure time.

Opening times: Please refer to our website at [www.westminster-abbey.org](http://www.westminster-abbey.org). For assistance or support with online ticketing, email: [tickets@westminster-abbey.org](mailto:tickets@westminster-abbey.org)

You're welcome to use our multimedia guide when visiting the Abbey during normal hours. You can download a shortened version of the guide and must use your own headphones whilst touring the abbey. Otherwise you are welcome to use a device we supply.

**Security checks take place before entry to the Abbey. CCTV in operation for crime prevention.**
