

Official National Gallery Highlights Tour.

Thank you for your booking.

Ticketholders should ensure that they arrive 15 minutes before their tour departs to allow time for security checks.

All ticketholders should enter via The Getty Entrance.

Starting point: Head through the Getty entrance (groups entrance) and go through the security barriers. You will then head inside Annenberg Court and the tour will depart close to the information desk on the right hand side. Please note that unfortunately we are unable to accomodate latercomers.
